AP Areas of Interest: Please indicate areas specific to the AP program that you would like additional information about.

AP Programs - SFMHS offers close to 20 AP courses where students are exposed to some of the most rigorous coursework available to high school students. Besides a weighted GPA students, can potentially earn college credit in high school on our campus. **Most incoming freshman start their AP experience with AP Human Geography/Critical Thinking.**

AP Capstone Certificate/Diploma - The capstone program requires students to complete two courses designed to elevate the students' research, writing and presentation skills. AP seminar is taken first in sophomore or junior year followed by AP research. Successful completion and a passing score on their exams earns students the AP capstone certificate. **If students wish to pursue the AP capstone diploma they must pass an additional 4 AP exams in subjects of the students choosing.**
