Minutes

Taylor Locke (SFMHS SAC Chairperson) called the meeting to attendance at 6:04p and welcomed the SAC to the third meeting of the 2017-2018 school year.

In Sarai Dutton's absence, Allison Demming (SFMHS Assistant Principal) gave a testing update on FSA & EOC retakes, ACT, SAT, STAR, and Compass. A copy of the handout Sarai provided is included with the meeting documentation.

Allison Demming also gave a Title 1 update on past events (Senior Parent Night), upcoming events (ESOL Night and Choice Open House), and expenses. Robin Kull suggested a better table location for SAC during Choice Open House, as well as setting up meetings with Ed and having a flyer available.

Taylor Locke asked everyone to review the minutes from the November 6, 2017, meeting. Janet Hildebrand motioned to accept the minutes with no changes, and Robin Kull seconded the motion. None opposed.

In Joan Downen's absence, Taylor Locke gave the DAC report. The only thing Joan needed reported was that the previous DAC meeting was the legislative town hall style meeting. Robin Kull suggested that Joan bring up metal detectors in the next DAC subcommittee meeting: does the district or do schools feel a need for them in the near future?

In Ed Mathews' absence, Allison Demming gave the Principal's Report. She showed the December calendar which included information on midterm exams, Winter Wolfpack week, and more.

Nothing was presented for the Good of the Order.

Janet Hildebrand made a motion to adjourn the meeting, and Robin Kull seconded the motion. None opposed. Taylor Locke announced that the next SAC Meeting was February 5th, at 6p and adjourned the meeting at 6:43p.
