*Bienvenus! Welcome to French!*

*We are very excited to start the new school year with our "Les branche" Level 1 book, adopted by the Lee County School District. We look forward to working with our new students as we develop our communicative skills and learn about the French-speaking world. French is a class that moves quickly and is full of a variety of activities. This is not the type of class where you can sit back and watch the world go by. You need to be involved, and this includes speaking in front of the class. Don't worry...if you are a little nervous about this, don't be. You will soon feel comfortable as long as you try your best. Don't hesitate to ask for some extra help!*
