Directions: Circle the name of the courses in which you plan to enroll for the 2017-2018 school year. Course selections in math, English, and social studies follow a sequence and require teacher recommendations. You will need to select your 4 required courses and 4 more credits worth of courses. **\*\*Note some classes are worth ½ credit and some are worth a full credit. After you have circled the name of the courses you would like to take, please rank your elective choices by writing a “1” next to the elective you want the most, “a “2” for your second choice, etc.** All students must select enough courses to equal four (4) credits. Be sure to **list five alternate courses, in order of preference**, in the spaces provided. These alternate course selections will be used if there is a schedule conflict or if a course is cancelled or filled.
