STATEMENT OF INTENT

I have read the AVID information and commit my full support to my child's participation. I understand that meeting the eligibility requirement does not insure admission to the program and that the decision of the selection committee will be final. Should my child be accepted and need to further skills/credits, my child may be required to take summer school courses. **If my child is accepted to the program, I agree to support his/her participation for at least one year.** In addition, I recognize that my child will have to maintain a GPA of 2.0 or better each year to remain enrolled in at least one honors or AP (Advanced Placement) class to remain in the program. I will insure that my child has uninterrupted study time daily and will supervise the use of the study time in the most productive way. I will also commit my support to the AVID teachers by following their guidance regarding further study in order to insure my child's successful completion of the program he/she has chosen. Understand that should my child leave the AVID program, he/she must then meet all graduation requirements as specified by the Florida Statute and Lee County Pupil Progression Plan.
