Course Overview

The purpose of this course is to enable students with disabilities to gain knowledge and skills needed for post-school adult living.

Course Content

Includes but is not limited to:

- Personal and career planning
- Personal Health and Safety
- Personal and Social Competencies
- Self-Determination and Self-Advocacy
- Financial Management
- Adult Living Arrangements

Supplies

Please bring the required materials to class every day:

- Pencils/pens (blue or black ink only), highlighters, sticky notes
- Notebook paper

Wish List:

- Box of tissues
- Box of colored pencils or fine point markers.
- Hand Sanitizer

Grading Policy

Major Grades 60%
To include- research
projects and tests.

Daily Grades 40%
To include- class work,
homework, quizzes,
and cooperative learning.

In addition to the class work, we will also have field trips and guest speakers from the community in various areas of work and independent living. This will promote understanding of job requirements, skills and personal goals throughout the year for additional enrichment and exposure.
