# Military Science/ Leadership

## *JROTC*

Mission: To motivate young people to become better citizens

Vision: Foster character and citizenship skills while strengthening leadership abilities

### *JROTC Special Teams*

#### **Drill**

The drill team consists of the color guard, exhibition and precision marching team. Drill team practices and performs routines at various competitions in the local, state, regional and national level.

#### **Marksmanship**

Marksmanship is a challenging team that teaches discipline, concentration and precision. Cadets compete in accordance with the civilian marksmanship program.

#### **Raiders**

The Raider team is a physically and mentally demanding team that is not for people of weak will. All will be put to the test at the annual competition, where teams will need to execute a rope bridge, 5K run, cross country rescue, first aid test and other varying events.

#### **Academic**

The Academic and Leadership teams are both composed of six cadets. These cadets in total compete at various competitions that train their mental & logical aptitude, testing them with both ACT/SAT type questions. Teams that excel in phase II competition are invited to compete nationally in Washington D.C.
