

SFMHS BAND BOOSTERS

FAIR SHARE AGREEMENT

Last year 20 band students participated and the total Fair Share disbursement was \$2,506.88..

What's Fair Share? Each student has a fair share account. This program helps your child raise money for their benefit. Funds can be used for next year's band fees, if they outgrow their shoes or toward any future trips.

Beach Bashes, Car Washes and working in the Concession Stand during Soccer season are some of the events that we will be doing for the 2017-2018 school year.

HOW IT WORKS

- Sign up sheets will be posted in the Band Room and on our Facebook page www.facebook.com/sfmhsbandboosters
For Soccer, the number of available slots will be listed. Students/parents/siblings over 14 can sign up to work. If you work alongside your student, it doubles the amount into their account.
- On the day of the event, show up on time, sign in/out and work
- The Sign in sheets are kept at each event so that we know who worked, how long they worked and which student they were working for
At the end of the event, the monies will be counted and a portion of the total profit proceeds will be divided amongst participating student accounts.

Listed below are the student/general fund profit percentages.

Soccer 60% General Fund 40% Student

Beach Bashes and Car Washes 25% General Fund Student 75%

****Students volunteering for Community Service Hours **CANNOT** bank any dollars*****
