### Course Selection Worksheet

Directions: You will be selecting your courses and entering them into a google form. The link to the google form may be found in your English teacher's google classroom. Course selections in English, math, science and social studies are required. Once you have selected your 4 required class credits, you will need to select 3 more credits worth of courses. \*\*Note some classes are worth ½ credit and some are worth a full credit or more. If you select a ½ credit course, you will need another ½ credit course to go with it to make a full credit. **DO NOT SELECT COURSES YOU HAVE ALREADY TAKEN AND EARNED A GRADE OF "C" OR BETTER.** After you have selected 7 credits worth of classes (4 required & 3 elective credits) you need to choose 5 alternate courses. Alternates may not be classes you have already selected. These alternate course selections will be used if there is a schedule conflict or if a course is cancelled or filled.

This worksheet will help to make sure you have all the items you need to enter into the Google form.
