Directions: Circle the name of the courses in which you plan to enroll for the 2019-2020 school year. Course selections in math, English, and social studies follow a sequence and require teacher recommendations. You will need to select your 4 required courses and 4 more credits worth of courses. ****Note some classes are worth ½ credit and some are worth a full credit. After you have circled the name of the courses you would like to take, please rank your elective choices by writing a “1” next to the elective you want the most, a “2” for your second choice, etc.** All students must select enough courses to equal four (4) credits. Be sure to list five alternate courses, in order of preference, in the spaces provided. These alternate course selections will be used if there is a schedule conflict or if a course is cancelled or filled.
